Dear Paul:

I wanted to let you know how pleased I am with your work to improve our web site design. Your expertise has greatly improved our web site and has achieved an exceptional level of search engine optimization success.

In addition, your efforts in implementing a Google Adwords program have improved our market presence. The success of Google on our business growth and profit has been fantastic!

Presently, we receive about 3 leads from the Internet each day. As a result, our sales are increasing substantially. The combination of web site optimization and Internet advertising is the MOST EFFECTIVE AND MOST EFFICIENT marketing tool I have ever witnessed. Target Marketing Solutions has really made a significant impact on our Huron Technologies' growth!

Thanks again,

Very truly yours,
